

Housing, Infrastructure & Public Facilities Project Development Questionnaire

Q: *Who should complete this form?*

A: Local government representatives interested in developing and seeking funding for a potential housing, infrastructure, or public facilities project

The NEGRC Planning & Government Services (PGS) Division is available to provide project development and administration services to local governments in the 12-county Northeast Georgia region. Upon receipt of this form, PGS staff will contact you to schedule a project development meeting.

If your community is interested in seeking funding through the FY 2012 Community Development Block Grant (CDBG) Program, please return this form to Nina Kelly, Project Manager, at nkelly@negrc.org (or the address listed above) by Monday, November 28, 2011.

Local government (city or county):

Staff contact:

Please list any state or federal grants your community has received in the past (3) years:

Project Type (housing, water/sewer, public facilities):

Is this project identified in a community planning document, such as the city or county comprehensive plan or the capital improvements element (CIE)? If so, please name the document:

Location of project (street intersection):

Brief project description:
