## GIS Mapping Fee Schedule

Map Sizes Size Description	Size in Inches	Print Type	Price
Letter / Legal	8 1/2 x 11	Vector Features / Topos	\$5
		Aerial Photos	\$10
Tabloid Size	11 x 17	Vector Features / Topos	\$12
		Aerial Photos	\$25
Architectural Size D	24 x 36	Vector Features / Topos	\$35
		Aerial Photos	\$70
Architectural Size E	36 x 48	Vector Features / Topos	\$50
		Aerial Photos	\$100
Custom Oversize	48 x ??	Vector Features / Topos	\$75
		Aerial Photos	\$150

\*\* Price includes a free digital copy (PDF, JPEG) of your map project.

Add 25% for glossy or other custom papers.

"Quick" maps are existing map documents or simple custom maps made in about 15 minutes of staff time to create and print. (Time costs do not apply to 15 minute maps)

Large scale/quantity map production will be analyzed and priced out for invoicing/billing authorization before map production.

Hourly rates for custom map production are currently \$45 per hour.

Map production turnaround time estimates can be made upon the description of the project.

GIS Technician: Nicolin DeDecker (706) 369-5650 ext. 318
