**SUBJECT: 2012 Statewide Historic Preservation Commission Training
Friday, March 30, 2012 and Saturday, March 31, 2012 in Valdosta**

Dear HPC & CLG Local Government Contacts,

Happy New Year! I am pleased to announce that our statewide HPC Training has been scheduled for **Friday, March 30, 2012 and Saturday, March 31, 2012 in Valdosta**. This training is offered in partnership with the Georgia Department of Natural Resources Historic Preservation Division, the Georgia Alliance for Preservation Commissions, the UGA Carl Vinson Institute of Government, and the UGA Center for Community Design and Preservation. Please link to www.cviog.uga.edu/training/local/preservation.php to download a copy of the training agenda, hotel information, and to register online. You can also reach this link through our website at www.gashpo.org by referencing the training page. Registration will be available online in mid-February, but if you prefer to register through US Mail you may download an application at the link above and return it with a check for payment. We will not offer on-site registration this year. If you need additional assistance with registration please contact Chrissy Marlowe at marlowe@cviog.uga.edu or by phone at 706.542.9528.

Please remember that HPC Training is a Georgia Historic Preservation Division requirement for CLG's. Each HPC member must attend training once every three years. Training is highly encouraged for any new HPC member, and especially for all members of a newly established HPC. For more information about the training requirements, or anything program related please contact Leigh Burns at leigh.burns@dnr.state.ga.us or by phone at 404.651.5181.

I look forward to meeting with you in Valdosta this Spring!

Best

Leigh Burns
