Subject: Joint Meeting of Operations and Engineering Committees

Good Morning!

A Joint Meeting of the Operations and Engineering Committees has been scheduled for **Wednesday, February 26th at 9:00 a.m. in the E.H. Culpepper Conference Room at NEGRC headquarters.** The purpose of the meeting is to review the final proposed revisions to the Scope of Service for the High Service Pumps and Clearwell Storage. Hill Baughman is to forward the final document to me by Noon today. Upon receipt, it will be forwarded to you for review in advance of the Wednesday meeting.
