

# Northeast Georgia Regionally Important Resource Nomination Form 2015-2016

The Northeast Georgia Regional Commission is seeking nominations for Regionally Important Resources found in the NEGRC's twelve-county region. It is not necessary to nominate resources included in the 2010 Regional Resource Plan as these will be reviewed as part of the 2016 update (a list of these is located on the NEGRC website). Thank you for your efforts to nominate important resources in the northeast Georgia region.

Name of nominating party or organization:

Contact person:

Email of contact person:

Phone number of contact person:

Name of proposed resource:

Address or coordinate of resource:

Type of resource (check all that apply):

City/County where resource is located:

Natural and/or Environmental

Historic

Cultural

Archeological

Water

Conservation and/or Recreation

Agricultural and/or Scenic Value

Provide a brief description of the resource's value and importance to the region. Is it currently recognized locally?

Discuss the resource's existing use and condition, indicating the degree to which the resource is threatened or endangered.

Describe how this resource might promote collaboration between organizations and/or jurisdictions. Please highlight existing efforts and community support.

How is this resource significant regionally? Describe how it contributes to a regional network of natural or cultural resources, communicates a regional identity, etc.

Describe any opportunities for the nominated resource, such as conservation and/or management practices, planning, or protection.

Please return this form by e-mailing [towen@negrc.org](mailto:towen@negrc.org) or mailing:
