

Be There 4 Seniors Rally

HCBS Funding will:

- Reduce Waiting Lists
- Promote Independence
- Support Caregivers
- Protect the Vulnerable

13,700 people are waiting!

Join us as we push for **\$10 million** in funding for non-Medicaid Home and Community Based Services (HCBS) and the Medicaid Community Care Services Program (CCSP). These Services on average delay nursing home placement for 50 months! The state's average annual cost is \$2055 for HCBS and \$4824 for CCSP vs. \$19,200 for a Medicaid nursing home bed. That's a fraction of the cost!
