Dear Amy Jones,

The Technical College System of Georgia Office of Workforce Development (OWD) is pleased to inform you that the Workforce Innovation and Opportunity Act (WIOA) Local Plan for WorkSource Northeast Georgia has been reviewed and approved.

OWD reviewed the plan to ensure that the required elements are addressed in accordance with 20 CFR 679.570 and that the plan fulfills the applicable requirements in alignment with the State Plan. As part of this review, OWD compared the required sections of the Local Plan against the criteria established in 20 CFR 679.560 and WIG COM-23-001R.

The review did not include an examination of the policies and procedures included within the plan. Accordingly, approval of the Local Plan does not constitute approval or endorsement of those policies and procedures. Such policies and procedures will continue to be reviewed as part of OWD's annual monitoring process.

This approval applies through the end of the current four-year plan cycle, Program Year (PY) 2027. A full review and revision of the Local Plan will be required during PY 2028. Consistent with 20 CFR 679.580, OWD will issue additional instructions and guidelines regarding the requirements and process for that submission.

Sincerely,

Kristin Laarhoven
Assistant Commissioner
Technical College System of Georgia
Office of Workforce Development
