

Madison County
Request for Qualifications
Engineering Design Services for the Madison County Water Project

General

Madison County is issuing this Request for Proposals (RFQ) to engineering firms experienced in development of engineering plans, construction documents, and bid documents for water system improvements. The Madison County Water Project includes upgrading two miles of water pipe currently served by the City of Commerce. The area covers the following streets: Blacks Creek Church Rd., Sartain Dr., Red Hill Rd., and McGinnish Chandler Rd. Responding firms should be technically qualified and licensed to provide these services and experienced in the preparation of plans for federally funded projects. Services provided will include preparation of a Preliminary Engineering Report and further design services if a Community Development Block Grant, or other Federal or State funding, is awarded.

Background

Madison County is considering applying for the Community Development Block Grant to assist with the improvement of two miles of pipe to improve water quality and water safety for an area of Madison County currently served by the City of Commerce. The improvement will connect the water system to the middle of Madison County and provide for future service of water to flow from Madison County to Commerce.

Administration

The RFQ is issued by Madison County with technical assistance provided by the Northeast Georgia Regional Commission (NEGRC).

Evaluation

Procedures for selection of an individual or firm will be in accordance with local government requirements, the Common Rule Selection Process, and HUD administered regulations. All Statements of Qualifications will be evaluated in terms of project approach, timing, experience, quality of work, capacity to perform, and costs. Prior experience in similar projects and qualifications of principal staff should be included. Past performances on similar projects, multi-use planning, and design also will be reviewed for project timeliness, completing work within budget, quality of work and other factors such as knowledge of community. Local government experiences and qualifications desired include, but are not limited to, preparation of architectural plans for new construction, multi-use projects, federally funded projects, building assessment, and estimations of plan implementation costs.

Information Required

The statement of qualifications shall contain the following:

- A. History of firm and resources
- B. CDBG experience, including other DCA grant programs
- C. Key personnel/qualifications
- D. Current workload
- E. Scope and level of service proposed
- F. Experience with similar projects and list of references
- G. Fees and/or Percentages (if any) associated with the Preliminary Engineering Report (PER) for the application, and Design and Construction Management Services, if the project is funded. The draft PER would be needed no later than February 20, 2021.
- H. Errors and Omissions Insurance
- I. Statement of Qualifications Form (*Provided by Northeast Georgia Regional Commission*)
- J. Section 3 Certification Form (*Only Submit with your Qualifications if you are claiming Section 3 Status.*)

Selection Process

The procedure being followed is a request for qualifications followed by a review, ranking, and selection by Madison County. An invitation to conduct the project will be issued to the selected firm and all RFQ respondents will be notified of selection or non-selection at the appropriate time.

Miscellaneous Provisions

- A. All contracts are subject to Federal and State contract provisions prescribed by the Georgia Department of Community Affairs. This project is covered under the requirements of Section 3 of the HUD Act of 1968, as amended and Section 3 Business Concerns are encouraged to apply.
- B. Madison County also abides by the following laws as they pertain to HUD Assisted Projects: *Title VI of the Civil Rights Act of 1964; Section 109 of the Housing and Community Development Act of 1974, Title I; Title VII of the Civil Rights Act of 1968 (Fair Housing Act); Section 104(b)(2) of the Housing and Community Development Act of 1974; Section 504 of the Rehabilitation Act of 1973 as amended; Title II of the Americans with Disabilities Act of 1990 (ADA); and the Architectural Barriers Act of 1968.*
- C. Neither the NEGRC nor the participating government shall be responsible for any costs incurred in the preparation of the statement of qualifications or other related activities.
- D. All questions shall be submitted in writing (e-mail is acceptable). All questions and responses will be shared with all requesting firms responding to this RFQ before the stated deadline.
- E. All materials submitted in connection with this RFQ will be public documents and subject to the Open Records Act and all other laws of the State of Georgia and the United States of America, and subject to the open records policies of the Northeast Georgia Regional Commission. All such materials shall remain the property of the Northeast Georgia Regional Commission and will not be returned to the respondent.
- F. All respondents to this RFQ shall hold harmless the Northeast Georgia Regional Commission, the participating governments, and any of their officers and employees from all suits and claims alleged to be a result of this RFQ. The issuance of this RFQ constitutes only an invitation to present qualifications. The Northeast Georgia Regional Commission reserves the right to determine, at its sole discretion, whether any aspect of a respondent's submittal meets the criteria in this RFQ. The Northeast Georgia Regional Commission also reserves the right to seek clarifications, to negotiate with any vendor submitting a response, to reject any or all responses with or without cause, and to modify the procurement process and schedule. In the event that this RFQ is withdrawn or the project canceled for any reason, the Northeast Georgia Regional Commission and participating governments shall have no liability to any respondent for any costs or expenses in connection with this RFQ or otherwise.
